### **Position Summary:**

This position is primarily responsible for assisting with all aspects of the SaskOats Mitacs Business Strategy internship project as assigned. SaskOats seeks an intern to develop and deliver a knowledge mobilization plan to promote the value and benefits that SaskOats brings to oat producers in Saskatchewan and to strengthen knowledge about oat production within Saskatchewan. The intern will develop and deliver workshops and presentations from existing research to share with grain producers, agri-food processors, and the general public, including local schools, through field days, exhibitions, seminars, and school visits.

### **MAIN RESPONSIBILITIES:**

#### 1. Main Responsibilities:

- Work to complete the Business Strategy Internship project as submitted to Mitacs with the support of the business partner and the College's Job Coach.
- Complete the Mitacs Employability Skills course.
- Develop and deliver a knowledge mobilization (KMb) plan to promote the value and benefits SaskOats brings to Saskatchewan oat producers.
- Develop presentations and workshops, from existing research.
- Host/co-host up to 8 field days at Saskatchewan AgriARM research farms and meet directly with producers and members of the public across Saskatchewan at farm and agriculture exhibitions.
- Plan and host workshops and seminars with local schools and organizations to educate and share local agriculture knowledge.
- Deliver and share presentations and workshops to grain producers, agri-food processors, and the general public, including local schools by way of field days, exhibitions, seminars, and school visits.

2. Additional Duties:

- Other duties as assigned.

**QUALIFICATIONS:**

1. Education and Experience:

- The minimum educational qualification for this position is equivalent to the admission to a program offered at Suncrest College.
- Active student with a post-secondary institution; or a recent graduate (within the past 12 months).
- The minimum amount of practical, related experience required to perform the duties of this position is less than one year.
- Demonstrated experience working in a cross-cultural environment.
- Demonstrated experience working with diverse age groups.

2. Knowledge, Skills & Abilities:

- Strong interpersonal skills and communication skills to work within a multi-disciplinary team.
- Ability to work independently or as part of a team.
- Familiarity with farming and agriculture is an asset.
- Familiarity with agriculture research is an asset.
- Proficient with the use of MSOffice Suite, including PowerPoint and Word. Familiarity with Canva is an asset.

3. Other Requirements:

- Valid Saskatchewan Driver's license is required
- Satisfactory Criminal Record Check required
- Valid work permit for the duration of the internship required
