

Tutor – Health, Trades & Math

Do you have a background in health care or the trades? Is Math your subject? Do you enjoy helping others to achieve their goals? This is a great opportunity for anyone who would like to make an impact on the future generation of professionals.

Suncrest College is currently accepting applications for Tutors in our Health and Trades programs, along with Math in a variety of post-secondary programs. This is a term position from November 2, 2026 to June 30, 2027, in Yorkton, SK. We offer some flexibility in our tutoring schedules (daytime and evening hours) and are committed to working with the right candidate to develop an arrangement that meets both their needs and those of the program.

Requirements:

- The minimum educational qualification for this position is a relevant one-year post-secondary education. This education would typically provide knowledge of adult education methodology or program area.
- The minimum amount of practical, related experience required to perform the duties of this position is one year in a similar role in a classroom environment and one-year work experience in a business environment.
- Demonstrated experience working in a cross-cultural environment.
- Valid Saskatchewan Driver's license is required
- Satisfactory Criminal Record Check and Vulnerable Sector Check are required

About Suncrest College:

Suncrest College has 11 campus locations, and our employees enjoy working in a respectful and professional environment. Our strong values of being future forward, responsive stewards and empowering allies, have formed a positive culture at Suncrest College. Our employees are highly engaged and student focused, knowing their work has a strong and positive impact on students, communities, partners, and the economy.

Closing Date: October 29, 2026 at 12:00 PM
