Part-time Continuing Care Assistant Schedule (Thursday/Friday classes)

Although you may register for individual courses, we strongly encourage you to work with a Suncrest College Advisor to ensure you are meeting all requirements for the Continuing Care Assistant program. Please note that completing your CCA certificate part time means you must complete all course requirements, including the PLAR process, within 4 years of your start date.

Classes will be held in person on Thursday and Friday from 9am-4pm unless otherwise indicated.

Final exams – mandatory on campus (Melfort) 9am-11am

Attendance is mandatory to receive credit in each course.

- You are responsible to order your **books** from the Saskatchewan Polytechnic bookstore.
- Should you have any questions about program delivery - please contact the Program Coordinator – **Lindsey Moskal** l.moskal@suncrestcollege.ca
- For planning your courses, please contact our Advisor **– Tara Nelson** t.nelson@suncrestcollege.ca

Prior Learning Assessment and Recognition

Clinical experiences are not included in the part-time program. You can PLAR your work experience to complete your certificate. This is done directly through Saskatchewan Polytechnic.
